Antonio José Hernández Valls

Marketing Specialist | Video Editor | Content Creator
ajhernandezvalls@gmail.com | Valencia, Spain | Portfolio: aj-marketing.github.io

PROFESSIONAL SUMMARY

Freelance video editor and digital content creator with 6 years of experience producing short films, indie feature films, business advertisements, and short- and long-form social media videos for TikTok, Instagram, YouTube, and Twitch, with over 1 million total views. Experienced in motion graphics with After Effects, photography, HubSpot CRM and Google Analytics (GA4) for digital marketing tracking. Currently pursuing a Master's in Generative AI focused on database administration, automation, workflows, and programming.

WORK EXPERIENCE

Freelance Video Editor | Self-employed | October 2020 – Present

- Editing short films, indie feature films, business advertisements, marketing campaigns, and short- and long-form social media videos.
- Creating motion graphics, animated titles and on-screen graphics in Adobe After Effects.
- Collaborating with production teams, communicating with directors and producers to deliver a satisfactory final product.
- Creating and editing content for social media, YouTube, TikTok, Instagram, and Twitch, generating over 1 million total views.
- Managing CRM (HubSpot) and tracking digital marketing metrics with Google Analytics (GA4).

Sound Designer | Freelance | October 2021 – September 2024

- Recording on-set dialogue, voice-over, ambient sound, and sound effects.
- Creating, adjusting, and editing sound effects to build immersive soundscapes.
